Name : <u>Niu Jiaqi, Helena</u> Class: <u>1C</u> (13) Book Title: <u>Geronimo Stilton</u> by <u>Elisabetta Dami</u>

Description:

This bookmark is about the book called Geronimo Stilton. I have designed a mouse wearing green suit at the bottom right. It is Geronimo, the book's protagonist. He is a kind writer and likes to stay at home. However, his sister and cousin always lead him to adventure. During the adventure, Geronimo encounters many difficulties. But he also makes a lot of bold attempts and manages to tackle the difficulties with his witty brain. So I wrote "A Bold Attempt Is Half Success" on my bookmark. Whenever I meet any difficulties and don't dare to try it, I can look at this bookmark to encourage myself.
