Book Title: *Alice in the Wonderland* by Lewis Carroll

Description:

The bookmark I designed is about the  
story called *Alice in the Wonderland*  
because I like Alice very much. I think  
she is also very brave to find her home  
by herself and meet some strange  
animals and people. I hope all people can  
be like Alice, be brave and make more  
friends. Also, don't give up trying things  
that are annoying or worrying and we can  
be successful to solve the problems  
finally. The smile means to be positive.  
The clock means to be on time and don't  
waste the time. Green represents hopes.
