Book Title: Wonder by R. J. Palacio

Description:

I chose *Wonder* because this book is
very meaningful and it is very motivating
and inspiring. I drew a planet and an
astronaut because the main character,
August's dream is to be an astronaut, and
I want to make a feeling like you are in a
dreamy, beautiful space. I have chosen
this quote because I think this quote is
very positive and it reminds me to smile
and be positive no matter what happens.
