Theme: Appreciate Nature

Colorful Archway

Cry! Cry! Everywhere, who is the girl with the crying face?  
Ding Ding Dong, it is raining through her eye.  
Where can we find the birds and the butterflies?  
All of them disappear and get hide.

Hey! Hey! Everything, what is the matter to make her smile?  
Everything sings and dances after the shining of Uncle Sun.  
How gorgeous she is! She can't wait to show her seven-colour dress.  
Golden yellow and purple blue, children go to play and run.

Out of the fairy tale world and become an arch bridge.  
It is her willing to bring and lead the children go and go.  
She makes the world colourful and warm.  
The little girl protects the children and hopes them grow and grow.

How graceful the nature is!  
Do you want to know what she thinks?  
Where there's a will there's a rainbow.  
She will come out after rain.
