### Theme: Appreciate Nature

#### Day and Night

The shining sun is like a golden medallion,  
So I sit under the old banyan.  
Wind whisked my hair,  
Dandelions scattered everywhere,  
Breathe the scent of nice fresh air.  
How wonderful our nature is!

Lying on the green meadow,  
The flowers sway,  
like inviting sparrows to dance together.  
Listen! Birds chirping and bees humming,  
Like a gentle symphony of piano.  
Sadness and trouble get away.

The sun goes to the west for a rest,  
Full of immense and brilliant gold and diamond in the sky.  
Stars light Stars bright,  
The starry sky at night is a beautiful sight.  
I raise my hand to touch the moon,  
And I fall asleep very soon.
