Theme: Appreciate Nature

Four Seasons

Spring is coming,
Please be ready.
Roses are blooming,
Ice is melting.
Nature is waking
Gonna be a new start.

Sun is shining in the sky.
Under the sea,
Many fish swim by,
Memories are built.
Edge of the sea,
Rising of the sun.

All the leaves on the tree fall off,
Unhappy things are abandoned.
The fields are painted gold,
Up in the sky,
Migratory birds fly high.
Nearly the end of the year.

Wind roaring like a tiger.
I can hear it blowing at night,
Napping by the fireplace,
Aking up every space,,
Everything is turning white,
Removing the colors of the world.
