Since they see humans as enemies, but after the pigs start walking on 2 legs, they learn a new chant "Four legs good, two legs better."

The story of this book is about a group of animals on the farm. They rebel against their human farmer Jones, hoping to create a society where all the animals can be equal, free and happy. Under the lead of Snowball, the pig, they kick out the farmer. However, because of the pigs' intelligence, they become the supervisors of the farm. One of them called Napoleon proves to be a power-hungry leader. At the end, Napoleon seizes power by force and ends up exploiting the animals just as Farmer Jones has done.
