1. Give your impression by means of a drawing.

2. Describe and explain your drawing: (about 80 words)

Geppetto who is an old carpenter made and carved a puppet named Pinocchio. Geppetto wanted Pinocchio to accompany him because Geppetto didn't have family and friends. In the picture, Geppetto was madding Pinocchio. Also, in the story a blue fairy gave Pinocchio life and gave him a chance to become human. So I drew a blue magical effect near Pinocchio.

3. Comment and Sharing: (about 100 words)

In the story Blue fairy gave Pinocchio a chance to become human if he could prove himself "brave, truthful and unselfish". But Pinocchio was influenced by bad friends. His nose became longer and longer when he told lies. I think Pinocchio is just like us and his friends are like the bad things in our life. For example, drugs and greed. People always can't resist the temptation. They are often influenced by their environment and fall into danger one after another. "Do you know the difference between right and wrong?" We always need to ask ourselves this question.
