Biology Learning Activity: Green Seminar and Bottle Planting Workshop (LTP25/097)

Dear Parents / Guardians,

The Leisure and Cultural Services Department's Yuen Long District Leisure Services Office is organizing the "Yuen Long District Greening Promotion and Community Participation Activity – Green Seminar " for 2025-2026. This aims to enhance students' understanding of plants in biology and cultivate their awareness of greening and interest in planting. Therefore, our school is organizing an inspiring learning activity with the details as follows:

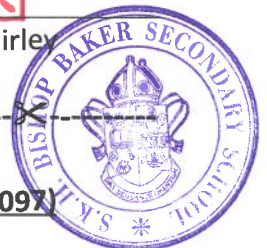

Activity:	Green Seminar and Bottle Planting Workshop (綠化講座及瓶栽製作工作坊)
Date:	3 rd December, 2025 (Wednesday)
Time:	15:45 - 17:15 (Theory and Practice)
Venue:	Biology Laboratory, our school
Target students:	S.4 biology students and member of Horticulture Club
Teacher-in-charge:	Dr. Chan Kwok-keung (陳國強老師) and Ms. Ng Oi Yan (吳靄茵老師)
Co-organizing office:	Yuen Long District Leisure Services Office
Content:	The LCSD will arrange for instructors and provide the necessary plants and materials. Participating students will carry out plant cultivation and glass bottle planting under the guidance of instructors. The completed works will be continued to be nurtured and retained by the participating students.
Cost:	Free of charge
Remarks:	Students are advised to bring their own eco-friendly bags for taking their works home.

Please complete the reply slip below and return it to the Biology teacher by 17th November, 2025. Should you have any queries, please contact Dr. Chan Kwok-keung (陳國強老師) by phone at 2475 4778 during the school office hours on weekdays.

Yours sincerely,
